

FOR MIAMI OFFICES

Office Lunch *Program*

FROM \$26 PER PERSON • 20-GUEST MINIMUM

Chef-prepared lunch, set up in your office on a standing schedule. A different kitchen every week — Greek one Tuesday, Asado the next — cooked fresh in our kitchen and served in yours. No ordering, no chasing, no forty people making forty separate decisions at noon.

WHAT THE PROGRAMME INCLUDES

- ✓ **A rotating menu each week** — from the kitchen that caters Miami's private events, not a lunch-delivery catalogue.
- ✓ **Delivered, set up and served** by our team, on any counter or table in your space.
- ✓ **One invoice** — no per-order admin for your office manager to reconcile.
- ✓ **Dietary needs carried every week** — vegetarian, vegan, gluten-free and allergies planned in, not patched on.
- ✓ **Cleared and cleaned** before we leave — the room goes back to being a room.
- ✓ **Written proposal first** — you know the figure before anything starts.
